REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or suggest an apparatus for cutting and stacking rolls of sod wherein each gripper module comprises a pair of engageable fingers as specifically called for in the claimed combination in claim 6.

The prior art of record also fails to show or suggest a robotic arm for transporting a plurality of sod rolls comprising a base;

- a first member rotatably coupled to the base at the first member proximal end;

- a second member rotatably coupled to the base at a second member proximal end;

- a first linkage member rotatably coupled to a first distal end of the first member and rotatably coupled to a second distal end of the second member;

- a third member rotatably coupled to the first linkage at a third member proximal end;

- a fourth member rotatably coupled to the first linkage at a fourth member proximal end;

- a second linkage rotatably coupled to the third member at the third member distal end, the linkage being rotatably coupled to the fourth member at the fourth member distal end; and

- a horizontal head member having a plurality of grippers, each gripper having at least one pair of retractable fingers as specifically called for in the claimed combination in claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
